Profile

Computerworld – reaches the key influencers in large organizations.

While Computerworld reaches IT influencers of all types across its online and print audience bases, at the core are IT executives in larger organizations. For forty years, Computerworld has been the leading source of technology news and information for these decision makers worldwide.

Computerworld Audience:

Print -

- 67% at large organizations (1,000 + employees)
- 69% IT Management

Online -

- 47% at large organizations (1,000 + employees)
- 44% IT Management

Source: Online – Research Results Site Profile Study November 2007;
Print – July 2007 BPA statement.

Computerworld connects you to IT leaders responsible for large budgets to purchase computer hardware and software and all related business products. Look no further to reach the business strategists that are driving IT for their companies.
