List Profile

LinuxWorld Conference & Expo, the leading event focused exclusively on Linux and Open Source solutions, provides value to business leaders and developers focused on Linux technology.

As the premier marketplace for Linux products and services, LinuxWorld features a high-level strategic and technical conference program. The show's interactive floor provides business decision makers with the information and resources they need to apply and manage Linux and Open Source solutions in their business infrastructure and enterprise networks.

LinuxWorld Conference & Expo is the key to reaching these decision makers and influencers of Linux and Open Source technology.

Total attendees to LinuxWorld Conference & Expo 2004-2008 are on one unduplicated database.
