Profile

CIO Canada's mission is to focus on the broad spectrum of issues related to the acquisition, strategic use and management of information technology within the enterprise. It delivers the subscribers who are the biggest buyers with the biggest budgets.

- 64% of readers work for corporations whose gross annual revenue is over \$25 million. *
- One in five readers is responsible for a \$50 million budget. *
- Nearly half are key decision-makers in over 80% of their company's IT budget. *

Its readers are the strategic decision makers for information technology-enabled business initiatives that are essential to running today's leading corporations. These executives are responsible and directly involved in major purchases and volume buys of products that range from PCs, midrange and mainframe computers, communications, the internet, and networking equipment. Whether it is hardware, software or services, it is these professionals that spend with the biggest budgets available.
