### Profile

More than any other IT or business publication, ComputerWorld Canada remains the most focused on the agenda of enterprise IT professionals. With its mission to be the "Voice of the IT Community", it targets the IT executives and decision makers who are at the forefront of adopting new technologies that fuel their companies' growth.

If you're looking for Canadian IT executives with purchasing influence in the enterprise at medium and large companies, ComputerWorld Canada is the first choice\*:

- 88% of readers are involved in the IT purchasing process.
- Average personal IT budget responsibility - \$10,631,320
- Average number of employees in entire organization - 11,027
- Average number of employees at work location - 540

\*Source: ComputerWorld Canada Reader Study - December 2004

Whether covering data management, wireless technology, security or application development, ComputerWorld Canada delivers the essential editorial needed to keep system and information technology professionals at the forefront of an ever changing IT environment.
