Profile

Network World Canada is the leading source of network knowledge – helping network leaders design, deploy and manage the infrastructure and strategic applications driving business success. All have given permission to receive third-party emails.

It targets Network Managers, Network Administrators and IT professionals with personal authority over significant budgets*:

- 44% of reader's companies have gross annual revenue of over \$25 million.
- 38% of readers plan to help specify, recommend or approve more than \$100,000 in networking equipment/services for their company.
- Over 70% of readers are responsible for purchasing at multiple sites.

*Source: Network World Canada Circulation Survey Report, August 2007

Covering such essential technologies as Voice over IP (VoIP), carrier services, LANs, storage and network security, Network World Canada delivers the largest qualified circulation in Canada of influential networking strategists responsible for the development and management of their companies' communications and networking needs.
