Profile

Computing Canada offered news and ideas of interest to computer users in industry, business, government and education. Monthly feature reports provided in-depth coverage of selected subjects of interest to a wide spectrum of computer users.

The qualified subscribers are people who use computers and manage computer systems in Canada's corporations and all have given permission to receive third-party email. The Computing Canada Email Subscriber List is perfect for every type of offer from hardware and software, to seminars, small business offers, to consumer publishing and catalogs.
